

NARS

The Northwest Amateur Radio Society was established in 1985 and serves radio operators in the FM 1960 area NW of Houston and surrounding suburban area. Our members (about 130 +) are a diverse group with interests covering the entire spectrum of amateur radio activity.

Give us a try. Send in this application form and get on board as a member of a group that makes it happen! And, while you're at it, check out our website at: <http://www.w5nc.net>

W5NC

Houston, Texas
Northwest Amateur Radio Society

Scheduled Activities

Monthly meetings:

3rd Friday at 7:30 PM Klein Fire Department Administration Building, 16810 Squyres Rd., Klein, TX 77379. It is located behind Klein Fire Station 4.

Weekly Saturday Breakfast

7 a.m. at Denny's Restaurant, 6504 FM 2920. Spring, TX, just a few blocks west of Kuykendahl.

Weekly Wednesday Lunch

Locations vary by week. Check NARS newsletter for schedule.

Weekly Monday Lunch

Goodson's 11:00am in Tomball, Texas

Monthly V.E. Sessions

Fourth Saturday of each month (with exception of June and December) at the Tomball Regional Hospital, 1st floor conference room. Registration begins at 8 a.m. Walk-ins welcome. Detailed information available on w5nc.net or by request via email to: vec@w5nc.net

Annual Field Day Event

Last full weekend in June. NARS participates each year in this national emergency preparedness activity. This is one of our most anticipated annual events.

Annual Awards Banquet

In lieu of the January meeting, NARS members and guests enjoy an evening filled with food, fun, awards and pleasant conversation.

Public Service Activities

NARS is recognized as an ARRL Special Services Club. Each year, NARS members actively support many local public service events. Some of these include:

Buffalo Bayou Regatta

Salvation Army Bell Ringers Project

Youth Programs

The future of amateur radio depends upon involvement of the younger generations. To help foster a desire to learn about & participate in amateur radio, several NARS members support annual Jamboree on the Air (JOTA) scouting activity. There are also periodic license classes taught by members of NARS.

NARS Email Reflector

Quite a lot of information is communicated via the club's reflector. Compare this to an email party line. Each message is available for all subscribers to see. Be sure to sign up for the email reflector

<http://mailman.qth.net/mailman/listinfo/nars> or go to <http://www.w5nc.net> for more information.

Monthly Newsletter

The NARS News is published each month and highlights upcoming activities, allows the DX hounds to brag about their latest catch and is a general source of information about the club. The newsletter is available on the club's website or by email via Adobe Acrobat Reader (pdf. file)

Repeaters

2 Meters: 146.66 MHz Tone 141.3

.70 Meters: 444.375 MHz Tone 103.5
